Come and See

Some years back, the Lutheran Church conducted a poll in which they asked Lutherans how it was they happened to come to church in the first place. Here are the replies:

2-3 percent joined because of denominational identity (longtime Lutherans, obviously);

5-6 percent joined because of a program or church event;

3-4 percent joined because of the preaching and worship life;

A whopping 80 percent said they joined the church because a friend or family member invited them, and the new attender could see the importance of faith in the friend or family member's life.

Jesus' invitation is "Come and see." (John 1:37-39) We are always invited into a closer relationship with Him.

Here are five simple rules for inviting a friend or neighbor to St. Luke's:

First, pray about your inviting. Ask the Lord to help you identify those who will be most receptive to your invitation. There are plenty of them out there.

Second, don't be content with a general invitation: "You know, you should come to church with me sometime." That's the Christian equivalent of saying, "One of these days, let's do lunch." Instead, make your invitation specific: why not this Sunday?

Third, consider offering your invitation in times of special need. If you know of a season of change, or an experience of loss, then it's even more likely the person is longing to hear some good news in midst of the bad.

Fourth, invite the person to come to worship WITH YOU. A person who hasn't been to church in a while will find it much easier to come with someone who knows the ropes and will feel like less of a stranger.

Fifth, be persistent. You don't need to be a nag about it, but sometimes people do need to hear an invitation more than once. You may fear you're being a nuisance, but more likely than not, if it's a friend or neighbor you're asking, your overture will be received as a gesture of caring.

All you're doing is saying, "Come and see." Those three little words have brought many a person to faith or to a renewal of faith grown cold. Those words worked for Andrew and his brother, Simon.

They'll work, also for the person you're inviting — as long as you offer the gift of yourself.

Peace,

Pastor Bill

Rev. Dr. William J. Damrow, Pastor

CANDLEMAS SUNDAY - TAKE HOME A BLESSED CANDLE

Sunday, February 2 celebrates the “Presentation of Our Lord” as a child to the Temple. It is called Candlemas because of an ancient tradition of blessing the candles to be used in the church in the coming year. It underscores the truth of Simeon’s confession that this baby Jesus was “a light for revelation to the Gentiles” and a light for glory to Israel.

We will each light a distributed candle as we sing the opening hymn. At the end of worship those attending will receive a blessed candle to bring light to our homes – a little epiphany of the love of God for all people in God’s Son, Jesus, the light of the world.

ANNUAL CONGREGATION MEETING February 2, 2020

St. Luke’s Annual Meeting (minus the budget which is voted on separately in December) will be held Sunday, **February 2, 2020** (snow date February 9) following Sunday worship. All active voting members are invited and expected to attend. Learn about all we’ve done together in 2019 – including our celebration of the 150th anniversary of St. Luke’s - as we look forward to the new year! Also, election of new Church Council members.

SOUPE BOWL OF CARING... the Other Super Bowl...on February 2

St. Luke’s Youth Group will join other young people in churches across the country by holding SOUP pots at the church doors to collect money for those who are hungry and hurting, on February 2. All monies go to Lutheran World Hunger. Last year over 9 million dollars in money and goods was collected to help people in need through the “Souper Bowl” collection nationwide.

Please give generously by dropping your dollars and checks in the soup pots on your way out of church. Checks should be made out to St. Luke’s but please note on the memo line that it is for “*ELCA World Hunger*”. Youth will be at the church doors and at coffee hour.

THE BUY-A-BIRD CAMPAIGN

The Buy A Bird campaign last Thanksgiving raised over \$1,000 for HOPE Community Services to buy turkeys. Thank you St. Luke's.

COOKING FOR HOPE

The Hope "Cook" Team has been carrying on as the Hope "Food Prep" Team in January, and is so looking forward to the installation of the brand new ovens!

The next Hope Cook is Sunday February 16th - President's Day weekend.

Join the team – all are welcome!

OVEN REPLACEMENT UPDATE

In December we announced that it was discovered that the ovens in the church kitchen had small holes in the gas pipe and could not be repaired as they are over 60 years old. We asked our members to consider a special year end donation to help defray the cost of replacing the ovens and, immediately many members made pledges and donations. We have received just over \$20,000, which will more than cover the cost of the ovens.

The old ovens have been removed and the wall behind and floor below have been repaired. Special thanks to Walter Glatz and Eduardo Moreno for taking care of this for us. We also need to repair the exhaust fan above the ovens, so the extra donations will definitely be put to good use. The new ovens have been ordered and will be on their way from California soon. They should be installed by early February.

A number of the donations were made in memory of Jim Tolles and Tom Roksvold, who were dedicated leaders in our monthly cooking for HOPE, and Ray Rankis, who often participated in the cooking. The ovens will be dedicated and a plaque will be hung in the kitchen in their memory. Thanks to all who contributed!

FORGIVENESS SUNDAY and SERVICE FOR HEALING MARCH 1 and 8, 2020 *We all need forgiveness and healing*

We hear so much about it in the gospels – “Forgive us our trespasses as we forgive those who trespass against us.” in the Lord’s Prayer... “This is my blood shed for you for the forgiveness of sins.” in Christ’s Last Supper and our Holy Communion...as well as Jesus’ forgiving and eating with sinners and his forgiveness of the thief on the cross.

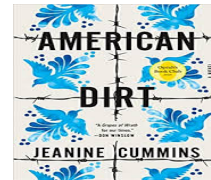

Once again, we are lifting a tradition from the Orthodox Church called “Forgiveness Sunday”. We will emphasize *forgiveness* throughout worship on Sunday, March 1, including saying “I forgive you” in the passing of the Peace. Bring a friend!

The following Sunday, March 8 we will celebrate a Service of Healing and Communion. The emphasis will be on all healing in our lives and a prayer of blessing upon each of us and those we pray for.

HOMELESSNESS & HUNGER ARE ON THE RISE

Homelessness and hunger are on the increase in New Rochelle and the nation, even with the current low unemployment rate, said Walt Ritz, executive director of HOPE Community Services. Walt spoke at St. Luke's on January 26 outlining HOPE's expanding services and his vision for 2020. The Dining Room remains a core part of HOPE serving 100 meals three times a week and on two Mondays a month.

Walt explained that it took a huge effort for people to come to the Dining Room and seek help, having exhausted all other avenues. He stressed the importance of making the clients feel welcome so they will return. Recently HOPE added a new speaker and the clients enjoy music while they eat. Walt hopes to spruce up the dining room to make it a more pleasant experience. HOPE recently expanded the Food Pantry hours to Tuesday evenings to be accessible for those that work. HOPE's new initiative, HOPE-ful kids, addresses child hunger in New Rochelle.

HOPE gives families food to fill the gaps when school is closed, either enough for a day or a week. The food is nutritious and easy to prepare like cereal or yogurt in case the parent is not at home.

HOPE also partners with Monica Hospital and New Rochelle offering a Homeless Resource Center for those in shelters next door to give them a place during the day and a warm breakfast in the cafeteria five days a week. HOPE works with financing from HUD to offer people a place to live and partners with Continuum of Care and other non-profit organizations. Ironically it is cheaper to house and subsidize housing than to pay for homelessness. It costs more to fund shelters, hospitals, and to pay when homeless people are incarcerated.

Walt outlined several ways St. Luke's could help by volunteering, coming at 4.30 pm to help serve meals, or Tuesday evenings to give out food bags. He also asked for help with projects including a new venture to build awareness of hunger in New Rochelle and HOPE by tying into World Hunger Day on May 28. He needs different minds to be part of the working group, to help promote the day on social media and visit businesses to help them participate. He urged people to go to the website Hopecommunityservices.org to investigate different volunteer activities and sign up.

SAVE THE DATE

St. Luke's has designated Sunday, March 22nd as Migrant and Refugee Sunday. Look for the World Map where we will be identifying all the different countries that St. Luke's families have come from over the years. Where did your ancestors originate or were you an immigrant like me?

Join us in the Fellowship Hall at 11. 15 to listen to Amy Robertson from Hearts and Homes for Refugees. She will speak about the organization's work in the Lower Hudson valley and her experiences living in Honduras and Lebanon which reinforced her commitment to help those feeling violence and persecution.

HAPPY VALENTINE'S DAY from the Sunday School & Youth Group!

Remember Jesus Loves you and so do we!

We had a fabulous Christmas season in the Sunday School and Youth Group. Our Christmas Pageant was so much fun. The kids were wonderful. Our congregational Christmas party was full of great Christmas songs and a visit and presents from Santa. Immediately after the party, our Youth group went into the church and started packing up the 5 very large bags of toys for Hope services. THANK YOU to all that donated.

On December 15th, we joined many of our church family to enjoy a wonderful lunch and homemade crepes (thank you, Jen Battaglino) before going Caroling at the Wartburg. The children made cards and ornaments for the residents, Thank you so much to all that participated and made a lot of people very happy.

Coming up we will have a Youth Group outing and then get ready for Souperbowl Sunday. For Souperbowl Sunday, February 2nd, the youth will be manning soup bowls collecting money for ELCA Lutheran World Hunger. Please be sure the youth group has a football or school jersey or we can see if we have enough Live Generously t-shirts.

Then we start to prepare for LENT: on February 23rd we 'Bury the Alleluia', February 25th our delish Pancake Supper and February 26th Ash Wednesday. We would LOVE to see you and the kids there!

DON'T forget to ask your child "what did you learn in Sunday School today??" Sunday school is every Sunday from 10-11:15 except for school holidays. Children worship with their own liturgy service and then attend age appropriate classes. They have their own lessons and receive their own stewardship envelopes for weekly contributions. The Sunday School is self-supporting through their own contributions. That includes lessons, books, supplies, materials, etc. It is never too early to learn about being good stewards! Please see me for your Child's envelopes. We need your support!

If your child would like to join the Junior Choir and/or the Youth Group please see me for more information. As always, check out the bulletin board, ask your child "what they learned today" and help support the Sunday School by using your child's envelope every Sunday. It takes a village, and in our case, A Congregation is our village. THANK YOU ALL!

Any questions please feel free to contact me.
